Please, remove me from your email list. I do not know how you got it, but you are not wanted in my house.

Further more **I think, you are the most humiliating disgusting human being that ever set foot on this planet.**

In fact, the entire community is fed up with your bullshit! **Get a life you disgusting piece of shit!**

It is time for you to move on, and leave the innocent people alone. Summerfield will be great again now that we have Becky off of the council.

I suppose she must eat her words now, **SHE IS THE MISTAKE!**

I am VERY PLEASED with the results of the election. **Grow up you big baby!**

Friends and Neighbors,

I apologize in advance for the forwarded email, and especially if you have received it multiple times, but please take the time to send this to any Summerfield Residents in your address book, and encourage them to get out and VOTE on Tuesday. It only takes 2 minutes to vote, and this is the most important election that Summerfield has ever faced.

My 9 year old daughter (4th Grade) plays softball until 10 pm on school nights, and most of the time on out-of-town fields because there is no room at the Summerfield School ball parks for the number of games that are scheduled - and especially for girls' teams. With travel time, baths etc. that puts her in bed at 11pm. We desperately need the new ball fields ASAP and we need more than 2 of them!

The concerned citizens have expressed concern regarding the Summerfield Recreation Association's use of the town fields and if they gain the majority vote on the council, **it is believed that their intent is to shut SRA out of negotiations for field use ENTIRELY**- One indication being that they don't want out of town kids (Oak Ridge/Stokesdale etc.) playing on town fields that Summerfield Taxpayers paid for.

Because of their Non-Profit status, SRA can not speak up and voice their political opinion, so it is up to the parents in our community who are affected by these conditions to do so.

Unlike the author of one of the letters below, I have met all of the candidates, and I know that Wray and Laughlin are the candidates who have our best interests at heart. Thanks for taking the time to read this email, and whether you agree with my choices or not, please remember to VOTE!

Kim Jackson
